

## Find out if Healthy Divas is right for you.

- ☐ Are you a transgender woman with HIV?
- ☐ Do you ever struggle to meet your healthcare goals?

If you answered yes to these questions, **Healthy Divas** can help you reach your vision of a healthy future self.

To learn more, contact  
Healthy Divas staff today.

# Be a Healthy Diva

Join a community of  
empowered transgender  
women taking charge  
of their healthcare

# With Healthy Divas,

you will meet six times with a trans-identified Peer Counselor who will guide you in meeting your personalized gender affirmation and other healthcare goals. You will also join a group session with other transgender women, led by medical providers, to learn more about HIV care and gender-affirming treatments.

## Benefits of Healthy Divas:

Receive support from a trans-identified peer counselor

Get connected to gender-affirming and HIV care

Build on your personal strengths

Access community resources

Talk with other transgender women

Get help with employment

Enjoy complimentary snacks

**Healthy Divas helps transgender women with HIV reach their personalized health and wellness goals.**
